Not every cheddar cheese is able to reach the ripe old age of 10 years. Shullsburg Creamery’s select cheddar cheese is milled curd following time honored traditions over 500 years old! Each birthday that is celebrated by our cheddar is testimony to the craftsmanship in cheesemaking at Shullsburg Creamery.

Whether they’re slicing our 3 month aged mild cheddar, cubing up some creamy smooth 4-5 year sharps or crumbling some 10 year atop a grilled burger. Your customers will agree its the best they’ve ever tasted.
